Women of Asphalt - Join Us Today!

Introduction

Brenda Shuler

Welcome to *THE Road Ahead!* — Spring 2020!

Celebrating Quality Achievement

Congratulations to each of the winners of the 2019 “Best in Colorado” Asphalt Awards. Our winners are featured on pages 12 -24. As the CAPA President, it was truly a pleasure for me to be part of the awards program held on February 19. As each of the contractor and owner/agency representatives came forward to be recognized, you could sense the pride that each of them had. The prestige of winning a “Best in Colorado” Award has grown over the years and we now recognize quality achievement in 13 different categories. We had 45 projects nominated for awards this year and had a great team of judges who traveled the state and rated the quality of work. I found the comments of Judge Team Chairman Vince Baptista of CDOT noteworthy, “Competition was very tough this year and often the difference between a good project and an award winning project is attention to detail and quality of longitudinal joints.”

2019 was the first year for a perfect score – Cottonwood Pass, contractor United Companies, A CRH Company and the owner/agency Federal Highway Administration; and the first year for three repeat winners – Schmidt Construction and the Town of Castle Rock – City Street Recon-

struction; Martin Marietta and the City of Greeley – City Street Resurfacing; and Vance Brothers and Cherry Hills Village – Surface Treatment. Not only did we recognize a 30 Year Old Goldie Oldie (Congratulations to the City of Greeley) but also a Special Recognition to CDOT Region 4 and APC Construction (formerly Asphalt Paving Company) for the 20th Anniversary for the I-76 Rubblization Project at Sterling.

As the 2020 construction season gets underway, I encourage each of our member companies and the owner/agencies to build on the successes of the past and make this year the best one ever. We have found that celebrating quality achievement through our awards program is one of the most rewarding activities that we can do in support of our mission of advancing the use and quality of asphalt pavement in Colorado. I hope to see you on the stage as a winner of a 2020 “Best in Colorado” Asphalt Award! Have a great construction season and let us know how CAPA can be of assistance in making your next project an award winner!

Brenda Shuler
President, Colorado Asphalt Pavement Association
General Manager, Asphalt and Contracting, Asphalt Industries WCR

2020 RMAEC Webinar Schedule

RMAEC Webinars - Convenient, Affordable, On-Target
The CAPA/RMAEC Webinar Program brings you the best in educational programming on a wide range of subjects, from technical topics to marketing to industry news. Keep up-to-date – even earn CEUs – without leaving your desk!
All about asphalt, all the time!

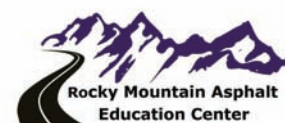

Remaining - Scheduled Webinars for 2020

- April 9 - Asset Management 101- Understanding your PCI.
- April 23 - Asphalt Paving - Placement and Compaction.
- May 7 - Wide Crack Repair Options at the Time of resurfacing.
- May 21 - Asphalt Inspection - The Role of the Inspector
- June 24 - Making the Pitch to Elected Officials for Increased Roadway Funding. Featuring: Mike Skinner, CAPA.
- July 9 - Asphalt Pavement Forensics: Understanding the Fundamentals of Troubleshooting Performance Problems. Featuring: Scott Sounart, Kimley Horn
- August 6 - The Balanced Mixture Design Concept: Improving Asphalt Performance.
- September 24 - Understanding PG Binders & Grade Selection, Featuring Dave Johnson, Asphalt Institute.
- October 8 - Cold Weather Placement, Featuring Tom Clayton, RMAEC
- November 12 - Best practices for Asphalt Plants and Production.

Archived Recorded Webinars Available For Viewing. Visit the RMAEC Webinar web page to view the list of recorded webinars.
www.co-asphalt.com/education

Webinars may be held with any or all of the listed topics. If you have a suggestion or topic you would like to see presented, contact Tom Clayton, tomclayton@co-asphalt.com 303-741-6150, Ext 151 or Cell 303-902-2439

Webinar Sponsors ! To inquire about the opportunities to be an RMAEC Webinar sponsor, contact Tom Clayton @ 303-741-6148 or tomclayton@co-asphalt.com. www.co-asphalt.com/webinar-home.htm

INDUSTRY NEWS

2020 Local Agency Pavement Condition and Funding Summary Data Available

CAPA has published the 2020 Local Agency Summary Pavement Condition Report and it is available to download from the CAPA website.

Across the state there are 88,000 lane miles of asphalt and local agencies are responsible for funding and maintaining 74% of that network (over 65,000 lane miles). Ninety agencies have provided street funding and condition data in the 2020 edition.

Agency feedback has been very responsive "Thanks for taking the time to compile all of this information, it is very useful"... "Thanks for sharing other agencies responses so we can see where we are"... "Thank you for continuing to put this together, it is a great tool to share with our Elected Officials."

Of the agencies that reported both 2019 and 2020 data, 54% reported an increase in their streets budget (+\$25M) and 46% reported a decrease (-\$22.4M). Budget data also indicates that Capital Improvement Project spending is up 6%, Mill & Overlay programs have increased +7% and Maintenance Programs have increased stayed level. Agencies are reporting that over \$300M has been budgeted for 2020 Annual Street Improvement Programs with an additional \$310M in Capital Projects...that's a total of over \$610M being spent by Local Agencies this year on streets and infrastructure across Colorado. For more information contact CAPA's Director of Pavement Engineering Mike Skinner at mikeskinner@co-asphalt.com. www.co-asphalt.com.

Colorado was well represented at the recent NCAT Asphalt Technology Course at Auburn University, Alabama

Colorado had seven attendees' in 2020. Pictured from left to right Jeff Hill, Federal Heights, Jeremy Clayton City of Cherry Hills Village, Richard Nickson, City of Thornton, Andrea Holtorf, Brannan Sand and Gravel Co. George Schenfeld, City of Commerce City, John Juranek, Douglas County and Tom Clayton CAPA. Most of attendees received a scholarship in December of 2019 which is jointly funded by CAPA, the Colorado APWA Chapter with help from NCAT, to attend the NCAT Technology Course at Auburn University. They were provided with a grand tour of the Lab, Test track and Lee Road 159. The funds were available for this program due to those who participate in the CAPA Golf event each September and all the great sponsors who support the effort to send people to this technology course.

Since 2001 more than 125 people have attended from Local Agencies, Consultants and Contractors. The 2020 CAPA Golf event is on September 18, 2020 at Fox Hollow Golf Course. We host up to 216 players each year.

If you are interested in attending the 2021 NCAT Asphalt Technology Course, information is available from the CAPA web site at <http://co-asphalt.com/resources/apwa-capa-scholarship/>

INDUSTRY NEWS

SUPPORTING COLORADO'S AVIATION INDUSTRY

On March 12th CAPA hosted its annual Asphalt & Airport Meeting at the Rocky Mountain Metropolitan Airport in Broomfield. Attendees from the industry included contractors, material suppliers, engineering design and construction consultants, the Federal Aviation Administration, CDOT Aeronautics and airport operators and staff.

- The FAA Denver Airport District Office provided a grant and funding update for 2020 and 2021 projects in the region.
- Engineering consultants provided a specifications and technical updates along with recent project case studies.
- Industry provided feedback on market outlook conditions and highlighted the 2019 "Best in Colorado" Airport Winner.

Feedback from attendees continues to be very responsive "We look forward to this meeting each year, we get great

updates from the FAA on the status and funding of future projects."... "Thank you for providing the FAA Technical Specification update every year, it keeps us up to date." Materials from the meeting are available on CAPA's website. For more information contact CAPA's Director of Pavement Engineering Mike Skinner at mikeskinner@co-asphalt.com. www.co-asphalt.com.

INDUSTRY NEWS

The RMAEC gets a face lift!

Over the past few months we have been hard at work updating the RMAEC facilities to make them more comfortable for our guests who come in to be certified or training in the production, testing or placement of APM.

Most of the changes are completed but we still have a few more upgrades to finish this spring. If you are scheduled to be coming in for Certification or Training, we hope you will feel the difference we have tried to make over the winter months.

Dave Lemesany Recognized by Board of Directors

The CAPA Board of Directors recognized Dave Lemesany with a distinguished service award at the Annual Awards Dinner & Program on February 19. The presentation was made by CAPA President Brenda Shuler. Dave was formerly the Regional Vice President of Asphalt & Contracting at Martin Marietta and served as President of the CAPA Board of Directors 2018 – 2019. Dave is now retired and living with his wife Lynne in Windsor.

47th Annual Rocky Mountain Asphalt

Conference and Equipment Show

2019 "Best in Colorado" Asphalt Pavement Awards

CATEGORY - Quality in Asphalt Production 50K to 100K tons

A&S Construction Company & SIMON of Cheyenne

In 2002, CDOT began to monitor the quality of plant-produced asphalt paving mix from each supplier to their construction program. The goal with this effort was to identify and acknowledge the asphalt producer who most consistently meets CDOT's specification requirements.

Co-winner SIMON of Cheyenne, WY/Sterling, Colorado
Accepting the award (L to R): Chris Bellendir (Plant Operator) and Jim Wheelock (Plant Superintendent).

Co-winner A&S Construction Company of Cañon City
Accepting the award (L to R): Monte Baughman (Asphalt Plant Foreman) and Chris Robinette (Superintendent).

CATEGORY - Quality in Asphalt Production Greater than 100K tons

Four Corners Materials

Winner Four Corners Materials, A CRH Company of Bayfield.

In 2002, CDOT began to monitor the quality of plant-produced asphalt paving mix from each supplier to their construction program. The goal with this effort was to identify and acknowledge the asphalt producer who most consistently meets CDOT's specification requirements.

Accepting the award is Paul Appel (Asphalt Operations Manager).

INNOVATIVE MILLING PERFORMANCE

The powerful cold milling machine offers compact dimensions and caters to a wide range of applications from surface course rehabilitation and pavement removal at full depth all the way to fine milling operations. The range of applications is broadened even further thanks to the quick exchange of milling drum units and exceptionally rapid exchange of milling drums offering milling widths of 6 ft 7 in (2.0 m), 7 ft 3 in (2.2 m) or 8 ft 2 in (2.5 m) as part of MCS - Multiple Cutting System.

The innovative MILL ASSIST machine control system always adjusts the most favorable relationship between performance and cost when operating in automatic mode.

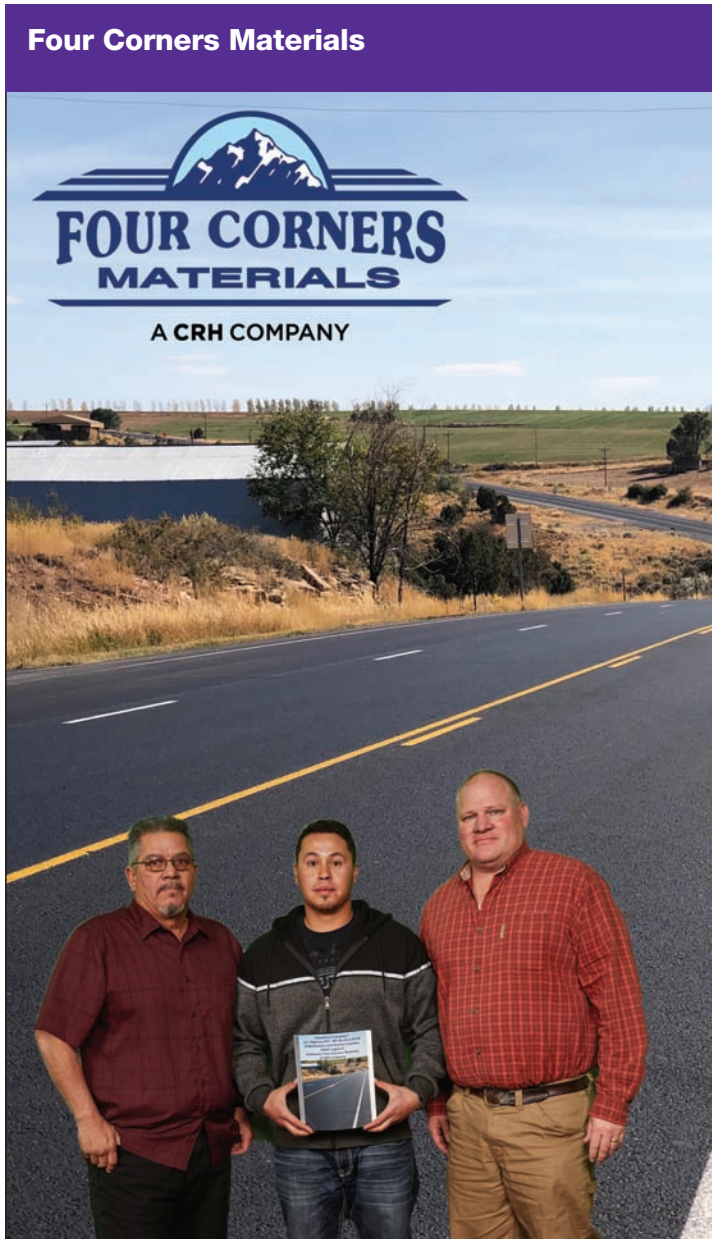

An operating strategy can additionally be selected in terms of cost, performance or quality.

2019 "Best in Colorado" Asphalt Pavement Awards

CATEGORY - CDOT Smoothness Category I

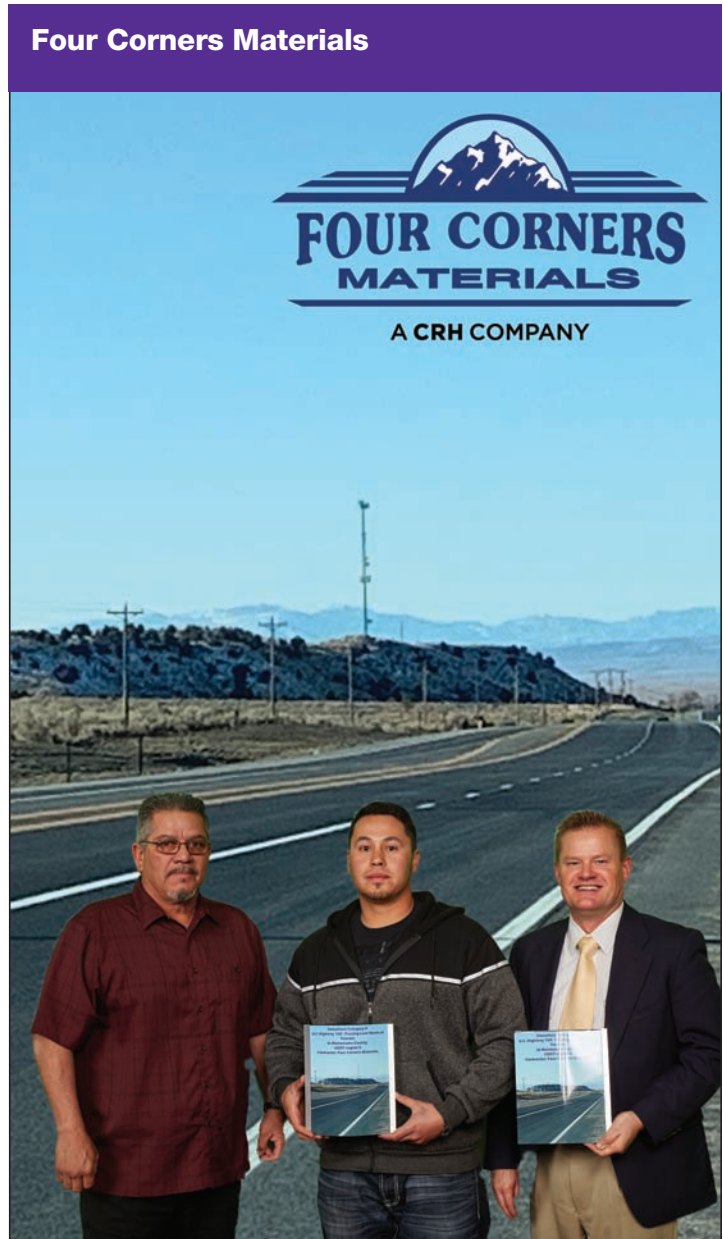

Winner Four Corners Materials, A CRH Company of Bayfield.

CDOT recognizes the smoothest paving project in each of their four roadway smoothness specification categories and are based on the project's MRI smoothness profile. Category I is for Urban Reconstruction with or without curb and gutter and one-layer overlays over an intermediate treatment. The work consisted primarily of placing 17.6 miles of new asphalt pavement over existing pavement.

Accepting the award (L to R): Jeff Bran (Four Corners), Tommy Campbell (Four Corners) and Jason Voorhes (CDOT).

CATEGORY - CDOT Smoothness Category II

Winner Four Corners Materials, A CRH Company of Bayfield.

CDOT recognizes the smoothest paving project in each of their four roadway smoothness specification categories and are based on the project's MRI smoothness profile. Category II is for New construction with or without curb and gutter construction of more than one layer. This winning project is located along US 160 north of Towac in Montezuma County in CDOT Region 5.

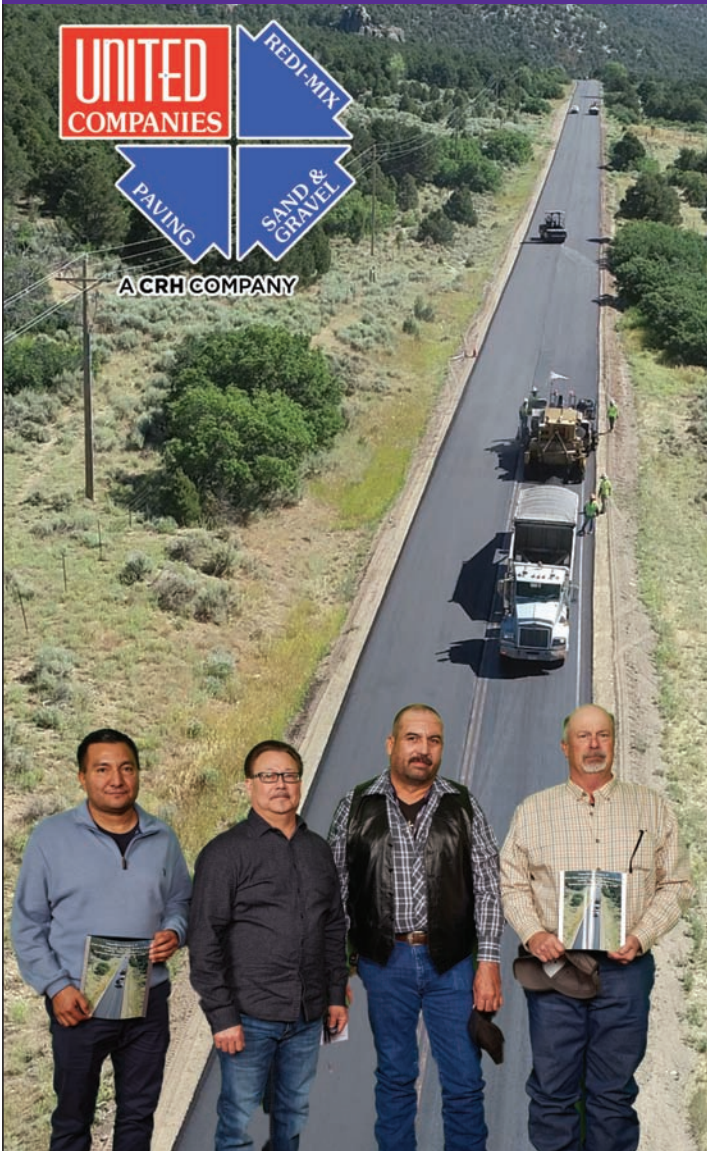

Accepting the award (L to R): Jeff Bran (Four Corners), Tommy Campbell (Four Corners) and Tim Webb (CDOT).

2019 "Best in Colorado" Asphalt Pavement Awards

CATEGORY - CDOT Smoothness Category III

CATEGORY - CDOT Smoothness Category IV

United Companies

Winner United Companies, A CRH Company of Grand Junction.

CDOT recognizes the smoothest paving project in each of their four roadway smoothness specification categories and are based on the project's MRI smoothness profile. Category III is for only one layer of pavement being placed without an intermediate treatment. The project consisted of 23 miles of 2-inch hot in-place recycling with a 1.5-inch new asphalt overlay.

Accepting the award (L to R): Orlando Trujillo (United), Damian Leyba (CDOT), Saul Valdez (United), Mike Termentozzi (United).

Elam Construction

Winner Kilgore Companies, LLC dba Elam Construction of Grand Junction.

CDOT recognizes the smoothest paving project in each of their four roadway smoothness specification categories and are based on the project's MRI smoothness profile. Category IV is for roadway improvement where smoothness must be improved or maintained without incentive payment. This 6-mile asphalt overlay project is located on US 40, west of Craig in Moffat County.

Accepting the award (L to R): Russ Larsen (Elam), Fernando Rojas (Elam), Todd Combs (Elam), Chad Saunders (Elam), Mike Goolsby (CDOT).

2019 "Best in Colorado" Asphalt Pavement Awards

CATEGORY - Airport

Martin Marietta and Meadow Lake Airport of El Paso County

Winner Martin Marietta and Meadow Lake Airport of El Paso County.

Meadow Lake Airport is a private airport in Falcon, Colorado. It consists of a 6,000' runway and parallel taxiway. This \$2.3 Million project consisted of removing and reconstructing Runway 15/33.

Accepting the award (L to R): Jon Weeks (Jviation), Jeremy Packer (Jviation), Nathan Ross (Martin Marietta) and David Burney (Martin Marietta).

COBITCO INC. EMULSIFIED ASPHALT

OPEN FOR WINTER!

Did you know that you can get COBITCO's special winterized CSS-1h and CRS-2 all through the winter? That's right! Cobitco is open during the winter. Our loading hours are typically from 7:00AM to 3:30PM weather depending.

When your customer demands long-lasting quality then there is only one choice - COBITCO. Our family brought asphalt emulsions to Colorado in 1960. We have never stopped making the most reliable, consistant and stable asphalt emusions in the state.

2019 "Best in Colorado" Asphalt Pavement Awards

CATEGORY - Commercial Parking Lot

Connell Resources and Colorado State University of Fort Collins

Winner Connell Resources and Colorado State University of Fort Collins.

This \$1.2M project ranged from surface treatment to full reconstruction of 12 separate on campus parking lots between May and August while students were away on summer break.

Accepting the award (L to R): Brian Neergaard (Connell), Andrew Schall (Connell) and Eric Marsh (Connell).

CATEGORY - Residential Subdivision

Martin Marietta and the City of Greeley

Winner Martin Marietta and the City of Greeley.

This \$6.2M project in the Sunrise Neighborhood is part of the Keep Greeley Moving Tax that the citizens voted for in 2015 to improve Greeley's road infrastructure.

Accepting the award (L to R): Randy Walrath (Greeley), Pat Hill (Greeley), Abby Glaser (Martin Marietta), Dave King (Martin Marietta), Chris Luden (Martin Marietta) and Jimmy Salazar (Martin Marietta).

2019 "Best in Colorado" Asphalt Pavement Awards

CATEGORY - City Street New or Reconstruction

Winner Schmidt Construction Co. and the Town of Castle Rock.

This \$2M project included removal of existing concrete that was no longer economical to maintain and reconstruct a mile and a quarter of this major collector in asphalt.

Accepting the award (L to R): Zane Ferrin (Schmidt), Tom Klasing (Schmidt), John Weber (Castle Rock), Antolino Delatorre (Schmidt), Jeff Lawson (Schmidt) and Brandon Beck (Schmidt).

Schmidt Construction Co. and the Town of Castle Rock

CATEGORY - City Street Resurfacing

Coulson Excavating Company and Larimer County

Winner Coulson Excavating Company and Larimer County

This \$3.5M project consisted of placing over 38,000 tons of mix as part of Larimer County's 2019 Resurfacing Program.

Accepting the award (L to R): Chris Braeger (Larimer County), Eric Purcell (Larimer County), JD Kleim (Coulson), Matt Coulson (Coulson) and Terry Reusnic (Coulson).

2019 "Best in Colorado" Asphalt Pavement Awards

CATEGORY - Rural Highway Resurfacing

Winner Four Corners Materials, A CRH Company and CDOT Region 5.

This \$11M project consisted of placing 17.5 miles of new leveling course and asphalt overlay along US 491 north of Cortez.

Accepting the award (L to R): Robert Pare (CDOT), Jason Woorhees (CDOT), Jeff Bran (Four Corners), Tommy Campbell (Four Corners) and Paul Appel (Four Corners).

Four Corners Materials and CDOT, Region 5

CATEGORY - Special Use Pavement

Aggregate Industries WCR, Mortenson and the Chatfield Reservoir Mitigation Company

Winner Aggregate Industries WCR, Mortenson and the Chatfield Reservoir Mitigation Company

Chatfield Reservoir is undergoing an expansion and this \$3.1M project included relocating and rebuilding the parking areas, marina and roadway along the west side of the state park.

Accepting the award (L to R): Mike Altergott (Aggregate Industries), Joe Walton (Aggregate Industries), Luke Uding (Mortenson), Dwight Torres (Mortenson) and Lukasz Dudaj (Mortenson).

2019 "Best in Colorado" Asphalt Pavement Awards

CATEGORY - Surface Treatment

Winner Vance Brothers and the City of Cherry Hills Village

Vance Brothers and the City of Cherry Hills Village

This \$287k project included placement of chipseals and fog seals along 20 select streets and cul-de-sacs within Cherry Hills Village.

Accepting the award (L to R): Jeremy Clayton (Cherry Hills), Ralph Mason (Cherry Hills), Heath Russo (Vance Bros.) and Cody Vance (Vance Bros.)

CATEGORY - Urban In-Place Recycling

Winner Cutler Repaving and the City of Thornton

Cutler Repaving and the City of Thornton

The City of Thornton's 2019 \$1.3M heater repaving program included edge milling followed by heater repaving and was accomplished in a single pass, within a single lane closure.

Accepting the award (L to R): Jason Clark (Brannan Sand & Gravel), Todd Rullo (Thornton), Richard Nickson (Thornton), Todd Gonser (Cutler), Miguel Chacon (Chacon Transport), Patty Chacon (Chacon Transport) and Seth Flutcher (Alpha Milling).

2019 "Best in Colorado" Asphalt Pavement Awards

CATEGORY - Urban Highway Resurfacing

Winner United Companies, A CRH Company and CDOT Region 3

This \$10.7M night resurfacing project included 6.5 miles of I-70 between Avon and Vail and had significant rutting due to the length of time since the last treatment and truck chain wear.

Accepting the award (L to R): Devin Ray (HDR), Jason Laabs (Cirque Civil), Tony Girodo (United), Mike Martinez (United), Ramen Chavez (United) and Gary Lujan (United).

United Companies, A CRH Company and CDOT Region 3

CATEGORY - Urban Highway New or Reconstruction

Martin Marietta and Larimer County

Winner Martin Marietta and Larimer County

This project included complete reconstruction of Owl Canyon Road with full depth reclamation using chemical stabilization with fly ash and seven inches of new asphalt pavement.

Accepting the award (L to R): Mark Voorhes (Larimer County), Jason Fagette (Larimer County), Kenny Grass (Martin Marietta), Jimmy Jones (Martin Marietta), Levi West (Martin Marietta) and Kyle Neith (Martin Marietta).

2019 "Best in Colorado" Asphalt Pavement Awards

CATEGORY - Golden Oldie

Winner City of Greeley

City of Greeley

CAPA's Golden Oldie is awarded to a project 30 or more years old which is still performing as designed with only preventive maintenance. 11th Street/58th Avenue was built in 1987 and maintenance to date includes crack fill on three occasions and one chip seal.

Accepting the award for the City of Greeley (L to R): James Young, Tony Arguello, Randy Walrath and Pat Hill.

CATEGORY - Rural Highway New or Reconstruction

United Companies, A CRH Company, Federal Highway Administration Central Federal Lands and Gunnison County

Winner United Companies, A CRH Company, Federal Highway Administration Central Federal Lands and Gunnison County

United Companies constructed improvements to 12.5 miles over Cottonwood Pass, including widening, realignment and paving at a final cost of \$20.6M. At 12,123 feet elevation, it is now the fourth highest paved road in the United States.

Accepting the award (L to R): Marlene Crosby (Gunnison County), Greg Frazier (United), Matt Schmidt (United), Holly Carey (United), Fred Riffel (United), Victor Alvarez (United), Stan Smith (CFL) and Adam Lynch (United).

"The success of this project was due to the hard work and dedication of the women and men that built it. From start to finish our teams had to be committed to producing a high quality project that we could deliver to the public. Obviously there was a lot of work that went into this project prior to paving but Fred Riffel and his talented paving crew really put the icing on the cake with a perfect paving project."

2019 "Best in Colorado" Asphalt Pavement Awards

CATEGORY - Special Recognition

Winner CDOT Region 4

This award recognizes CDOT Region 4 for their Interstate 76 Sterling East Rubblization 20-Year Performance. In 1999, CDOT Region 4 undertook a new process (concrete rubblization) to rehabilitate a 3-mile segment of concrete pavement along I-76 northeast of Sterling. Twenty years later, that 3-mile section is still performing well with only minimal maintenance having been performed.

Accepting the award (L to R): Jeff Keller (APC Construction), Heather Paddock (CDOT) and Gary Witt (CDOT).

2019 "Best in Colorado" Asphalt Pavement Awards

CAPA Partnership Award

The Colorado State University Department of Construction Management has been recognized with CAPA's Annual Partnership Award.

The award was presented at the Colorado Asphalt Pavement Association's "Best in Colorado" Asphalt Awards Dinner & Program on February 19, 2020.

Jeff Keller, President of APC Construction Co./APC Southern Co., a member of the CAPA Board of Directors, and a CSU CM alum, made the presentation and stated the following: "Each year our association recognizes an organization that we have partnered with to make significant progress. On behalf of the Board of Directors and as a proud alumnus, it's my honor to recognize the Colorado State University Construction Management Department with our annual Partnership Award." The honor is in recognition of the long standing partnership between CAPA and CSU-CM on the Heavy Highway Program and the Endowed Professor Position; the Asphalt Lab and asphalt faculty support; the annual Rocky Mountain Asphalt Conference & Equipment Show; collaboration on curriculum, course instruction, support of the student competitions, scholarships, internship programs and the Professional Development Advisory Board.

Upon receiving the award, Dr. Lise Youngblade, Dean, College of Health and Human Sciences state the following, "Thank you so much for the honor you have given our CM program as CAPA's 2020 Partner Organization of the Year. We are so grateful for our partnership, and we look forward to our future collaborations."

Colorado State University Department of Construction Management Receives Partnership Award

Accepting the award on behalf of CSU were:

- Lise Youngblade, Dean, College of Health and Human Sciences
- Mehmet Ozbek, Interim Head, Construction Management Dept.
- Scott Shuler, Professor

- Jeff Wilkes, Heavy Highway Endowed Professor
- Kimberly Winger, Executive Director of Development, College of Health and Human Sciences
- Bryan Nelson CSU-CM student and recipient of the CAPA Scholarship

INDUSTRY NEWS

Women of Asphalt - Colorado Branch

Women of Asphalt - Colorado had a large presence at the 47th Annual Rocky Mountain Asphalt Conference and Equipment Show. There were two presentations during the conference led by the Women of Asphalt. The Women of Asphalt is growing, join us!

The first was part of the opening general session as a teaser followed by a full session on February 19th from 3:30 until 4:45pm.

The group had a booth and a breakout session at the 47th Annual Rocky Mountain Asphalt Conference and Equipment Show. A 50/50 raffle was held to raise funds for the operations of the group and they made long and short sleeve shirts which are for sale. The short sleeve shirts are \$15 while the long sleeve shirts are \$20. If you would like to purchase a shirt, contact one of officers at info@womenofasphalt-colorado.org

More info or to get involved with the Colorado Branch of WoA, Nicki Upright, CDOT, (970) 350-2316, Tammy Buck, Yeh and Associates, 303-358-4185, Natalie Ulven, Pyramid Construction, 719-355-0150, Jo Taylor, CPWJ, 720-360-6737

20
TO WATCH IN
2020

Nominate a worthy candidate today!

Nomination Criteria

Women of Asphalt are spotlighting 20 industry game changers in 2020: women in leadership, influencers, thought leaders and newcomers in the asphalt community. **Do you know a standout?**

Nominees must:

- Be a member of Women of Asphalt
- Demonstrate success in the asphalt industry
- Effect positive change in the industry
- Exhibit willingness to share expertise with others in the field, including mentoring/serving as a role model for female professionals in the industry
- Give back to their community through such activities as sitting on boards, volunteering, and donating time or expertise to help others.

Nominations will be accepted through March 31, 2020, and the 20 selected will be announced on June 1, 2020.

Upcoming Events

- The Colorado Branch of WoA did have large presence along with the National WoA at Con-Expo in Las Vegas in March.
- The Colorado chapter of the Women of Asphalt (WofA) - Colorado branch next Board meeting is on March 16th. Contact the leadership group for more information.
- The Chapter is planning a FREE mixer for this Spring. The date is still to be determined. The event will be open to the first 40 to register. Any sponsorship would be appreciated!
